Taelor Gass and Mikel Morgan approached the council to request a donation to help FBLA winners go to the National competition. We have donated to this organization in the past in exchange for them doing service for the town. The Mayor and Council discussed what funds would be available to help these young entrepreneurs. Each year we plan funds for a town dinner during our July 4th celebration. Since we will not be having the dinner this year, it was decided that some of those funds could be contributed to this worthy organization. The council committed to donate \$700 this year. The FBLA members agreed to plant flowers in town and wash the fire truck. Priscilla made a motion to approve the donation; Geordin seconded and the motion passed unanimously.

Roger Fullmer made a request for a business license as the new proprietor of the Circleville Café. Scott made a motion to approve the business license; Geordin seconded and the motion passed unanimously.

The mayor opened the floor to Kathy Riddle from the beautification committee. Kathy sought to make plans to clean up the town for spring and summer. Kathy proposed that a week be designated for all available residents to participate in the cleanup. It was proposed that the project be scheduled for May 9-14. A notice will be sent out in the water bills with instructions for the residents of Circleville.

A dump truck will be needed for the project. Kathy will check on the availability of a donated truck.

The town maintenance department will spray the weeds along walkways and roadways in town. The gutters will also be cleaned out to improve drainage. It was proposed that the young men and young women may wish to participate in the cleanup on May 10 as a group project. The beautification committee will invite them to perform this service for the town. Geordin will see about getting trash bags from UDOT.

The welcome sign needs to be painted and some maintenance on the Memorial Park statue should be done this year.

Ryan Savage notified the council that the request for bids on the road project will be publicized in the Richfield Reaper on April 20, 27, and May 1. And in the Salt Lake Tribune on April 24 and May 1. It was decided that the bid opening will be held in Circleville on Thursday, May 12 at 4:00 PM.

The Mayor opened the floor to the departments.

Fire Department: The Mayor let the council know that the ISO audit was successful. Circleville has maintained its rating as long as our volunteer firefighters have regular training. The Mayor and Scott will make a plan for proper record keeping and training for compliance with ISO requirements.

Water Department: Geordin suggested that we remind the residents about the need for water conservation in town. Watering yards should be done in early morning or evenings and not during the hottest part of the day. Be mindful of unnecessary water running for yards or recreation during the day.

Parks and Recreation: The new monument construction will begin during the next week. A celebration will be held on April 22 to mark the date of the massacre. Priscilla opened discussion on plans for the July 4th celebration. The council decided to have all festivities on Monday, July 4.

The bills were presented and reviewed by the council. Priscilla made a motion to approve the bills and adjourn to closed session; Geordin seconded and the motion passed unanimously.

The meeting was adjourned at 9:00 pm.
